### **Pay down Rules:**

All amounts available under item (7) of the Priority of Payments will be used to redeem Class A, B, C, D, and E in accordance with the following Paydown Rules:

1. All amounts available for this purpose will be used to redeem Class A Notes until the they have been redeemed in full;
2. Once the Class A Notes have been fully redeemed all amounts available will be used to redeem Class B Notes;
3. Once the Class B Notes have been fully redeemed all amounts available will be used to redeem Class C Notes;
4. Once the Class C Notes have been fully redeemed all amounts available will be used to redeem Class D Notes;
5. Once the Class D Notes have been fully redeemed all amounts available will be used to redeem Class E Notes;

### **V. INTEREST RATE SWAP (SWAP)**

The Issuer will enter into one (1) Swap Agreement with the Bank in the following way:

The Issuer will pay an amount calculated by applying a rate equal to the result from dividing (i) the sum of interest received on the Consumer Loans, by (ii) the Notional Principal Balance of the Swap as defined below, all multiplied by the result of dividing 360 by the number of days of the settlement period.

The Bank will pay an amount calculated by applying a rate equal to the sum of (i) the weighted average interest rate of the Class A, B, C, D and E Notes plus (ii) 2.75%, to the Notional Principal Balance of Swap.

The Notional Principal Balance of the Swap will be equal to the daily average outstanding balance of the Consumer Loans, which are not in arrears for over ninety (90) days.

If the Bank short-term debt at any time during the term of the Bond issue has its rating decreased below A-1 (on the Standard & Poor's rating scale for unsubordinated and unsecured short-term debt), or below A1 (on the Moody's rating scale for unsubordinated and unsecured long-term debt), or below A/F1 (on the Fitch rating scales for unsubordinated and unsecured long and short-term debt, respectively), the Bank must choose, within a maximum term of thirty (30) Business Days after notice of that circumstance, one of the following alternatives: (i) post a cash deposit or securities deposit in favour of the Fund with an entity whose unsubordinated and unsecured short-term debt has a rating of F1 pursuant to the

September 17, 2008

Fitch's rating scale, a rating of P-1 pursuant to the Moody's rating scale and a rating of A-1+ pursuant to the Standard & Poor's rating scale, in an amount calculated on the basis of, among other factors, the market value of the Swap Agreement, all of which subject to the terms and conditions deemed pertinent by the Fund, as represented by the Manager, and the "Swap Criteria" of the Rating Agencies in force at that time and which establish the criteria for quantifying the amount of said deposit, in order to maintain the rating on the Bonds; (ii) that a third party institution with a rating of its debt of at least A-1 according to the Standard & Poor's short-term rating scale, of A1/P-1 according to the Moody's long and short-term rating scales, and of A/ F1 according to the Fitch long and short-term rating scales, guarantees performance of its contractual obligations; (iii) that a third party institution with a rating of its debt of at least A-1 according to the Standard & Poor's short-term rating scale, of A1/P-1 according to the Moody's long and short-term rating scales, and of A/ F1 according to the Fitch long and short-term rating scales, assumes its contractual position, the Swap Contract being terminated by operation of law. The new institution will replace the Bank before termination of this Contract, all subject to the terms and conditions deemed to be appropriate by the Fund, represented by the Manager.

Any costs, expenses and taxes incurred from breach in the above obligations shall be payable by the Bank.

## **VI RESERVE FUND**

The Reserve Fund described below will be funded at the beginning of the transaction through a subordinated Class F of Bonds .

Will have an initial amount of EUR 23 mm (2,30% of the Class A, B, C, D and E Notes initial balance).

After it reaches that level, the Reserve Fund will remain in a 4,60% of the Class A, B, C, D and E Notes outstanding balance, provided that it will have a minimum balance of EUR 11,5 mm.

The Reserve Fund will not decline:

- If on the last payment date it didn't reach its required amount.
- If the outstanding balance of the Consumer Loans with arrears over 90 days is greater than a 1.5% of the outstanding balance of the performing Consumer Loans.
- If the cumulative defaults are over a 1% of the Consumer Loans initial balance.

## **VII SUBORDINATED LOAN**

The Bank will grant a Subordinated Loan to the Issuer in order to finance the issuance expenses.

## VIII COLLECTION ACCOUNT

The Issuer will enter into a GIC with the Bank so that the Bank will guarantee an interest rate equal to the three months Euribor, to all amounts deposited in the Collection Account initially opened in the Bank.

In the event that the short term rating of the Bank falls below P-1/ A-1/ F1 rating, the Collection Account will be moved to another institution and consequently it will cease to benefit from the GIC. In this event, the Sociedad Gestora will be obliged to establish the Collection Account with a P-1/ A-1/F1 rating institution under the most favourable terms available.

## IX PRIORITY OF PAYMENTS

Every Payment Date all amounts collected from the Consumer Loans, will be allocated in accordance with the following Priority of Payments.

The “Calculation Date” will be the date on which the Administrator of the Issuer will make the necessary calculations for distributing or retaining the funds available as at such dates, in accordance with the Priority of Payments.

The “Calculation Date” shall be a date no later than the fifth Business Day prior to each Interest Payment Date

## PRIORITY OF PAYMENTS FOR AVAILABLE FUNDS

On each quarterly Payment Date, the Available Cash with respect to the immediately preceding quarterly Period will be used to make the following payments or provisions in the following order:

- (1) Payment of Senior expenses including:
  - a) payment of the expenses of FTA Santander Financiación 3 including the fee payable to the Sociedad Gestora (0.025)% per annum calculated on the outstanding balance of the Classes A, B, C, D, E and F Notes), any ordinary or extraordinary expenses reimbursable to the Sociedad Gestora;
